silk screen colors

The PMS Colors indicated above are only reference approximations of actual colors.

PMS Color Match: \$100.00

Please note: PMS match for silkscreen is not an exact match like flexo ink. PMS colors are designed for ink to be placed on white paper. We will custom mix colors to get the closest match to your requested color. Please also keep in mind the background color of the bag may alter the appearance of the ink, especially light color ink on dark color bags.

The colors on this page are 4 color process simulations of Pantone Colors. Actual colors may vary.
